

To parent/guardian:

HEALTH CHECK-UP PRESCHOOL

It is now time for your child to make his/her first visit to the school nurse.

We will regularly call your child for check-ups and vaccinations during his/her school attendance.

At this first visit, we will check your child's height and weight, eyesight and hearing. Furthermore, we will go through a health form that we ask you to fill in prior to the visit. We also go through your child's Swedish BVC journal applicable given vaccinations, referrals and other relevant.

If necessary, your child will also be offered contact with our school doctor.

We would like to ask you as a parent/guardian to attend the appointment.

Best Regards,
The School Nurse
